

OhioHealth Riverside Methodist Hospital

Green Ambulette Entrance Closure

In preparation for our new OhioHealth Women's Center, the Green Ambulette/Entrance or known as the Old CCU Turnaround will be closing on August 1. Due to this closure, traffic patterns will change, and Medical Transport will no longer have access to the Green Entrance. They now must enter the hospital through the ED Entrance.

For questions, please contact the OhioHealth EMS team at Riverside:
